

## FY 2006 NIMS Training Requirements

(The NIMS Integration Center October 2005 [www.fema.gov/nims](http://www.fema.gov/nims) Excerpt page 4.)

The NIMS Integration Center recognizes that many operational aspects of NIMS, including ICS training, are available through state, local, and tribal agencies and private training vendors. It is not necessary that the training requirements be met through a federal source.

The *NIMS National Standard Curriculum Training Development Guidance, October 2005* provides stakeholders with an evaluation checklist for training content, which may be used to ensure that the ICS training offered by other agencies or vendors meets the standard “as taught by DHS.”
